Health Requirements

Bulls should be healthy and free of infectious and contagious diseases. We recommend interstate papers for any bulls crossing state lines. Contact your veterinarian for the required testing. Triple-Hil Sires will not be held responsible for any disease or injury that is received by the bull listed above while he is at the facility.

Insurance

We do not hold insurance for the bull or semen stored at our facility. Insurance, if any, must be arranged and paid for by the owner.

Blood Typing

All bulls used for artificial insemination must be blood typed for parentage verification. This bull has been blood typed or will be tested immediately.

Shipping

Semen collected for SEXED semen is sorted, packaged, and frozen at Sexing Technologies. The semen will be stored at Sexing Technologies. All costs associated with storage or shipping from ST's facilities will be the responsibility of the bull's owner.

Semen Storage

A storage charge of \$.10/unit will be charged every six months for any amount over 50 units being stored at our facility on June 30 and December 30. There is a \$20 minimum charge.

Payment terms

Payment is due within 30 days of the statement date. Unless there is a mutual agreement otherwise the account must be current and paid in full before any semen will be released.

It should be noted that the success rate of collecting sexed semen is considerably lower than that of conventional semen due to the sorting process.
