Notes:

Health Requirements

Bulls should be healthy and free of infectious and contagious diseases. Triple-Hil Sires will not be held responsible for any disease or injury that is received by the bull listed above while he is being collected.

Insurance

We do not hold insurance for the bull or semen stored at our facility. Insurance, if any, must be arranged and paid for by the owner.

Blood Typing

All bulls used for artificial insemination on operations other than your own must be blood typed for parentage verification.

Shipping

Conventional semen collected is packaged and frozen at Hawkeye Breeders in Iowa. Triple-Hil Sires agrees to have the semen shipped to our facility at no charge within two weeks of the semen collection date for storage or pickup. Our standard shipping and handling charge of \$150 will be applied to any shipments sent from our facility. All shipping charges associated with shipping semen from Hawkeye Breeders to anywhere other than our facility will be the responsibility of the owner of the bull.

Semen Storage

A storage charge of \$.15/unit will be charged every six months for any amount over 50 units being stored at our facility or at Hawkeye Breeders on June 30 and December 30. There is a \$20 minimum charge.

Sexed Semen

Semen collected for SEXED semen is sorted, packaged, and frozen at Sexing Technologies. All costs associated with storage or shipping from ST's facilities will be the responsibility of the bull's owner.

It should be noted that the success rate of collecting sexed semen is considerably lower than that of conventional semen due to the sorting process.

Payment Terms

Payment is due within 30 days of the statement date. Unless there is a mutual agreement otherwise, **The account must be current and paid in full before any semen will be released.**

I certify that the information above regarding the bull in question is correct and I agree to the provisions out-lined in the terms above.
